

Advertising in This Issue

The table below gives the names of the advertisers and the location of their ads in this issue of *JCE*. If you would like additional information about their products, the quickest and easiest way is via *JCE Online*.

Go to our homepage at <http://www.JCE.DivCHED.org>

click Advertisers

This will take you to a list of the advertisers and a convenient link to each advertiser's Web site. Whenever you contact our advertisers, be sure they know that you saw their ad in the *Journal*; this produces increased revenue for us, which results in lower subscription prices for you.

• **Books, Software, Models:** The Buyers Guide appears in print with the April issue of the *Journal*, but the information is online—and continuously updated—at:
