The undersigned hereby assign their entire copyright interest in the manuscript cited above, including its abstract, (subsequently referred to as the "work") to the *Journal of Chemical Education* (subsequently referred to as "JCE"), effective upon acceptance for publication by JCE. JCE shall have the right to publish the work in any medium and form, or by any means, subject to the following:

- A. The undersigned author retains non-exclusive right to revise, adapt, prepare derivative works, present orally, or distribute the work, provided that all such use is for the personal noncommercial benefit of the undersigned and is consistent with any prior contractual agreement between the undersigned and his/her employer.
- B. In all instances where the work is prepared as a work for hire for an employer, the employer whose authorized agent signs below retains non-exclusive right to revise, adapt, prepare derivative works, publish, reprint, reproduce, and distribute the work provided that all such use is for the promotion of its business enterprise and does not imply the endorsement of JCE.
- C. Whenever JCE is approached by third parties for individual permission to use, reprint, or republish specified articles (except for classroom use or to reprint in a collective work), JCE will confer with the undersigned author or employer, but retains the right to grant or withhold permission for such use in its sole discretion.
- D. No proprietary right other than copyright is claimed by JCE.
- E. For works prepared under U. S. Government contract, JCE recognizes the Government's prior nonexclusive, royalty-free license to publish, translate, reproduce, use, or dispose of the published form of the work, or allow others to do so for U. S. Government purposes.

This agreement must be signed by an author who has the consent of all authors or, in the case of a "work made for hire," by an authorized agent of the employer. **By signing this form, the corresponding author asserts that all co-authors are familiar with the content of the material accepted for publication in JCE and agree to the transfer of their copyright interest in it.** If this work was prepared under a contract with the U. S. Government, please state the contract number: \_\_\_\_\_
